Operating vs Capital Budget

Operating Budget

- ▶ Sources of funds: tuition and fees, state appropriation, grants & contracts, auxiliary revenue, federal aid
- ▶ fiscal year
- ▶ Support expenditures that normally occur during business operations:
 - ▶ Salary & fringe
 - ▶ Utilities
 - ▶ Supplies
 - ▶ **Depreciation & interest**
 - ▶ Other

Capital Budget

- ▶ Sources of funds: **long-term debt** (*borrowed funds*), state-support, capital grants, research grants, fundraising and net assets (*reserves*)
- ▶ Multiple fiscal years
- ▶ Supports long-lived assets
 - Major fixed and movable equipment
 - Land improvements (UCRR, Bayside)
 - Building renovation projects
 - New buildings
- ▶ Cost is “expensed” over the assets’ estimated useful lives via **depreciation**

\$100m building/40 Years = \$2.5m **annual depreciation**

Academic Planning

- ▶ UMB has lagged behind other campuses in investing in the physical campus
