

# CSM Purposeful Pathways

## Exploration Plan

Once you have researched your talents, and your academic and career options, answer the following questions. Share your results with an Academic, Career, or Faculty advisor for guidance in designing your plan to pursue an academic and career pathway that's right for you.

<p>In considering your talents and academic interests, what coursework do you find exciting?</p>	
<p>After further exploration into the world of work, what STEM occupations align with your talents, interests and values?</p>	
<p>In what ways do you hope to pursue an academic and career direction that will give you a sense of purpose?</p>	
<p>Have you started to develop academic and career goals? Will you want to consider graduate school? Please describe</p>	
<p>What kind of research, internships and/or work-based learning opportunities will be helpful for your career plan?</p>
